

Keira Knightley, Coming Up Roses

When you were asleep
And I was out walking
The voices started to speak
And they wouldn't stop talking
There were signs all around
It really got my mind racing
You were right all along
Something's gotta change

Hold on, hold on they're not for me
Hold on, cause everything's coming up roses,
Roses

We were back on the street
Found a song that's worth singing
The blur that knows a defeat
While your victory bell's ringing
My whole life's turned around
For this thing you keep chasing
You were right all along
But it's me whose got to change

Hold on, hold on they're not for me
Hold on, cause everything's coming up roses,
Roses

Hold on, hold on /8x

Hold on, hold on they're not for me
Hold on, cause everything's coming up...
Roses

Everything 's coming up roses
Everything 's coming up roses
Hold on, hold on, roses
Hold on, hold on, everything's coming up
Hold on, hold on, everything's coming up roses
Hold on, hold on, roses
Hold on, hold on, roses
