

Keira Knightley, Like A Fool

We take a chance from time to time
And put our necks out on the line
And you have broken every promise that we made
And I have loved you anyway

Took a fine time to leave me hangin' out to dry
Understand now I'm greivin'
So don't you waste my time
'Coz you have taken
All the wind out from my sails
And I have loved you just the same

We finally find this then you're gone
Been chasin' rainbows all along
And you have cursed me
When there's no one left to blame
And I have loved you just the same

And you have broken every single fucking rule
And I have loved you like a fool
