

# Keith Moon, Lies

Lies, lies  
You're telling me that you've been true  
Lies, lies  
That's all I ever get from you

Tears, tears  
I've shed a million tears for you  
Tears, tears  
And now you're loving someone new

Someday I'm gonna be happy  
But I don't know when just now  
Lies, liiiies  
You're breaking my heart

You think that you're such a smart girl  
And I'll believe what you say  
And who do you think you are, girl?  
To lead me on this way (This way, this way)

Lies (Lies), lies (Lies)  
I can't believe a word you say  
Lies (Lies), lies (Lies)  
Are gonna make you sad someday

Someday you're gonna be lonely  
But you won't find me around  
Lies, liiiies  
You're breaking my heart

Someday you're gonna be happy  
But I don't know when just now  
Lies (Lies), liiiies  
You're breaking my heart

You think that you're such a smart girl  
And I'll believe what you say  
And who do you think you are, girl?  
To lead me on this way (This way, this way)

Lies (Lies), lies (Lies)  
I can't believe a word you say  
Lies (Lies), lies (Lies)  
Are gonna make you sad someday

Someday you're gonna be lonely  
But you won't find me around  
Lies (Lies), liiiies  
You're breaking my heart  
Breaking my heart  
Breaking my heart  
Breaking my heart
