

Keith Urban, I Can't Stop Loving You

So you're leaving in the morning on the early train
I could say everything's alright
And I could pretend to say goodbye

You got your ticket, got your suitcase
You got your leaving smile
I could say that's the way it goes
I could pretend and you won't know
That I was lying

Cause I can't stop loving you
I can't stop loving you
No, I can't stop loving you
Though I try

We took a taxi to the station, not a word was said
No, I saw you walk across the road
It may be the last time I don't know feeling humble
Heard a rumble on the railway tracks
And when I hear that whistle blow
I walked away and you won't know
That I was trying

Cause I can't stop loving you
I can't stop loving you
No, I can't stop loving you
Though I try, I just can't stop loving you
No, I can't stop loving you
I just can't stop loving you
Why do I try, why do I try
Yeah
