

# Keith Urban, Only You Can Love Me This Way

Well I know theres a reason  
And I know theres a rhyme  
We were meant to be together  
Thats why----  
We can roll with the punches  
We can stroll hand in hand  
And when I say its forever  
You understand---  
That youre always in my heart,  
Youre always on my mind  
But when it all becomes too much,  
Youre never far behind  
And theres no one that comes close to you  
Could ever take your place  
Cause only you can love me this way  
I could have turned a different corner  
I could have gone another place  
Then Id of never had this feeling  
That I feel today, yeah..  
And youre always in my heart,  
Always on my mind  
When it all becomes too much,  
Youre never far behind  
And theres no one that comes close to you  
Could ever take your place  
Cause only you can love me this way  
Ooooh  
And youre always in my heart,  
Youre always on my mind  
And when it all becomes too much,  
youre never far behind  
And theres no one that comes close to you  
Could ever take your place  
Cause only you can love me this way  
Ooooh  
Only you can love me this way.
