

# Keith Urban, Somebody Like You

There's a new wind blowin' like I've never known.  
I'm breathin' deeper than I've ever done.  
And it sure feels good, to finally feel the way I do.  
I wanna love somebody,  
Love somebody like you.

An' I'm lettin' go of all my lonely yesterdays.  
I've forgiven myself for the mistakes I've made.  
Now there's just one thing, the only thing I wanna do, mmm, mmm.  
I wanna love somebody,  
Love somebody like you.

Yeah, I wanna feel the sunshine,  
Shinin' down on me and you.  
When you put your arms around me,  
You let me know there's nothing in this world I can't do.

I used to run in circles goin' no-where fast.  
I'd take, uh, one step forward and up two steps back.  
Couldn't walk a straight line even if I wanted to, mmm, mmm.  
I wanna love somebody,  
Love somebody like you.

Whoa here we go now!

Yeah, I wanna feel the sunshine,  
Shinin' down on me and you.  
When you put your arms around me,  
Well, baby there ain't nothing in this world I can't do.

Sometimes it's hard for me to understand,  
But you're teachin' me to be a better man.  
I don't want to take this life for granted like I used to do, no, no.  
I wanna love somebody,  
Love somebody like you.

I'm ready to love somebody,  
Love somebody like you. Oooh.

An' I wanna love somebody,  
Love somebody like you, yeah.

Oh yeah.  
Oh, I wanna be the man in the middle of the night,  
Shinin' like it's true.  
I wanna be the man that you run to whenever I call on you  
When everything that loved someone finally found it's way  
Wanna be a better man  
I see it in you yeah...
