

# Keith Urban, Stupid Boy

Well, she was precious like a flower  
She grew wild, wild but innocent  
A perfect prayer in a desperate hour  
She was everything beautiful and different

Stupid boy, you can't fence that in  
Stupid boy, it's like holding back the wind  
She let her heart and soul right in your hands  
And you stole her every dream and you crushed her plans  
She never even knew she had a choice and that's what happens  
When the only voice she hears is telling her she can't  
Stupid boy, stupid boy  
Oh

So what made you think you could take a life  
And just push it push it around  
I guess you build yourself up so high  
You had to take her and break her down

She let her heart and soul right in your hands  
And you stole her every dream and you crushed her plans  
She never even knew she had a choice and that's what happens  
When the only voice she hears is telling her she can't  
You stupid boy

Oh, you always had to be right but now you've lost  
The only thing that ever made you feel alive  
Yeah, yeah

Well, she let her heart and soul right in your hands  
And you stole her every dream and you crushed her plans  
Yes, ya did  
She never even knew she had a choice and that's what happens  
When the only voice she hears is telling her she can't  
You stupid boy, oh, I'm the same old  
Same old stupid boy

It took awhile for her to figure out she could run  
But when she did, she was long gone  
Long gone, long gone  
Ah, she's gone

Nobody's ever gonna love me like she loved me  
And she loved me, she loved me  
God please, just let her know  
I'm sorry, I'm sorry  
I'm sorry, I'm sorry  
Baby, yeah, I'm down on my knees  
She's never coming back to me
