

# Keith Urban, Without You

(Keith Urban)

Oh girl you get to me  
In a way I can't believe  
I need you

And who knows where just friends ends  
When your cross that line and love begins  
In over my head and the water's turnin' blue

CHORUS

But what would I do  
Without you  
What would I do  
Without you  
Hearts never know the way  
They want to go and want to stay  
We need two  
But in time you find the road  
And though inside you know you've gotta go  
The hardest part I find  
Is you're all I ever knew

CHORUS

But what will I do  
Without you  
What will I do  
Without you  
I gotta break these habit chains I put on me  
And be all that I can be, try and find  
what I need  
Memories suspend in time  
All the days when you were mine  
And the chance I took to move  
One I thought I'd never do

CHORUS

But I made it through  
Without you  
I made it through  
Without you  
From what would I do  
Without you  
To I made it through  
Without you, Without you  
REPEAT TO FADE
