

# KeKe Wyatt, If Only You Knew

"If Only You Knew"

I must have rehearsed my lines a thousand times,  
Until I had them memorized.  
But when I get up the nerve  
to tell you the words that never seem to come out right. ohh

[Chorus:]  
If only you knew how much I do,  
If only you knew,  
do love you, oh.  
how much I do, do need you.

I dream of moments we share, but your not there,  
but you don't even suspect,  
I'm living in a fantasy.  
about the changes I been going through.

could probably care less,

play on  
No, you don't even suspect,  
[Chorus]  
about the changes I been going through.  
Could probably care less,

[Chorus]  
Oh, if, if  
o, You don't know how much u don't know  
I said you don't know,  
only you knew,  
how much I need you sugar,  
I love you baby, only if u knew how much i do,  
i love u baby, i need u babyhow much I do,
