

KeKe Wyatt, If Only You Knew

"If Only You Knew"

I must have rehearsed my lines a thousand times,
Until I had them memorized.
But when I get up the nerve
to tell you the words that never seem to come out right. ohh

[Chorus:]
If only you knew how much I do,
If only you knew,
do love you, oh.
how much I do, do need you.

I dream of moments we share, but your not there,
but you don't even suspect,
I'm living in a fantasy.
about the changes I been going through.

could probably care less,

play on
No, you don't even suspect,
[Chorus]
about the changes I been going through.
Could probably care less,

[Chorus]
Oh, if, if
o, You don't know how much u don't know
I said you don't know,
only you knew,
how much I need you sugar,
I love you baby, only if u knew how much i do,
i love u baby, i need u babyhow much I do,
