

# Kelli Ali, Psychic Cat

put on your hat  
psychic cat  
tell us the news  
as we cruise

where do you go?  
when we blow  
you look so fine  
who do you know?

ooh la la la  
lost on 3rd street promenade  
lost on 3rd street promenade

even flow  
from head to toe  
where's it at?  
psychic cat

sky's so blue  
so don't be sad  
'cos we love you  
psychic cat

ooh la la la  
lost on 3rd street promenade
