

# Kelly Clarkson, Anytime

Anytime you feel like you just cant hold on  
Just hold on to my love and Ill help you be strong  
But youre so afraid to lose, and baby I cant reach your heart  
I cant face this world thats keeping us apart  
When I can be the one to show you  
Everything you missed before  
Just hold on now, cause I could be the one to give you more  
Let you know

[Chorus]

Anytime you need love baby Im on your side (hey)  
Just let me be the one I can make it alright (I can make it alright)  
Anytime you need love baby youre in my heart  
I can make it alright

I look into your eyes, and I feel it coming through  
And I cant help but want you more than I want to  
So baby take all of your fears, and cast them all on me  
'Cause all I ever wanted was just to make you see  
That I could be the one to give you  
All that youve been searching for  
Just hold on to my love, and baby let me give you more  
You know, anytime

Anytime you need love baby Im on your side (I'm on your side)  
Just let me be the one I can make it alright (I can make it alright)  
Anytime you need love baby youre in my heart  
I can make it alright

And now theres no way out  
And I cant help the way I feel  
'Cause baby youre the fire and Ill be waiting right here  
You know my love is real, baby  
Yeah yeah yeah

Anytime you need love baby Im on your side, you know  
Just let me be the one I can make it alright (I can make it al, make it al, make it alright)  
Anytime you need love baby youre in my heart  
I can make it alright, yeah yeah yeah yeah yeah

Anytime you need love baby I'm on your side (I'm on your side)  
Just let me be the one (let me be the one let me be the one let me be the one alright)  
Anytime you need love baby youre in my heart (you're in my heart)  
I can make it alright
