

# Kelly Clarkson, Before Your Love

I wonder how I ever make it through a day  
How did I settle for the world in shades of gray  
When you go in circles all the scenery looks the same  
And you don't know why  
And I looked into your eyes  
Where the road stretched out in front of me  
And I realized

I'd never live  
Before your love  
I'd never felt  
Before your touch  
And I'd never needed anyone  
To make me feel alive  
But then again,  
I wasn't really livin'

I'd never lived...  
Before your love

I wanted more than just an ordinary life  
All of my dreams, seemed like castles in the sky  
I stand before you and my heart is in your hands  
And I don't know how  
I'd survive without your kiss  
Cuz you've given me  
A reason to exist

I'd never lived  
Before your love  
I'd never felt  
Before your touch  
I'd never needed anyone  
To make me feel alive  
But then again,  
I wasn't really livin'

I'd never lived... before your love  
I'd never lived... Before your love

And I don't know why  
Why the sun decides to shine  
But you've breathed your love into me just in time  
I'd never lived  
Before your love  
I'd never felt  
Before your touch  
I'd never needed anyone  
To make me feel alive  
But then again  
I wasn't really livin'

I'd never lived  
I'd never lived  
Before!...  
Your!!...  
Love!!!...
