

Kelly Clarkson, Can I Have A Kiss

Excuse me for this, I just want a kiss,
I just wanna know what it feels like to touch
Something so pure, something I'm so sure of,
What it feels like to stand outside your door...
I'm unworthy, I can see you're above me,
but I can be lovely, if given the chance
Don't move, I wanna remember you just like this,
Don't move, it's only a breath or two between our lips
I know why you left, I can't blame you myself,
Must be hard living with ghosts in such an empty shell,
I tried to warn you, been a mess since you've known me,
I can't promise forever, but I'm working on it,
If I can't hold you, can I give you a kiss?
Can I have a kiss?
