

# Kelly Clarkson, Don't Waste Your Time

It's over, it's over, it's over

It seems you can't hear me  
When I open my mouth you never listen  
You say stay, but what does that mean  
Do you think I honestly want to be reminded forever

Don't waste your time trying to fix  
What I want to erase  
What I need to forget  
Don't waste your time on me my friend  
Friend, what does that even mean  
I don't want your hand  
You'll only pull me down  
So save your breath  
Don't waste your song  
On me, on me  
Don't waste your time

It's not easy not answering  
Every time I want to talk to you  
But I can't  
If you only knew the hell I put myself through  
Replaying memories in my head of you and I  
Every night

Don't waste your time trying to fix  
What I want to erase  
What I need to forget  
Don't waste your time on me my friend  
Friend, what does that even mean  
I don't want your hand  
You'll only pull me down  
So save your breath  
Don't waste your song  
On me, on me  
Don't waste your time

You're callin'  
You're talkin'  
You're tryin'  
Tryin' to get in  
But it's over, it's over, it's over  
Friend

Don't waste your time trying to fix it  
So save your breath, don't waste your song  
On me, on me  
Don't waste your time

You held me  
You felt me  
You left me  
But it's over, it's over, it's over  
You touched me  
You had me  
But it's over, it's over, it's over my friend  
Don't waste my time
