

Kelly Clarkson, I Surrender

There's so much life, I've left to live
And this fire's burning still
What would happen if they ever knew
I'm in love with you?
Cause I'd surrender everything
To feel the chance to live again
I reach to you
I know you can feel it too
I surrender
Every night's, getting longer
And this fire's getting stronger, baby
I'll swallow all my pride
And I'll be alive
Did you hear my call?
I surrender all
(I surrender everything, to feel the chance to live again)
I reach to you
I know you can feel it too
I surrender
