

# Kelly Clarkson, Natural Woman

Looking out on the morning rain  
I used to feel so uninspired  
And when I knew I had to face another day  
Lord, it made me feel so tired  
Before the day I met you, life was so unkind  
But you're the key to my peace of mind  
Cause you make me feel, you make me feel, you make me feel like  
A natural woman  
When my soul was in the lost and found  
You came along to claim it  
I didn't know just what was wrong with till your kiss helped me name it  
Now I'm no longer doubtful of what I'm living for  
Cause if I make you happy U don't need to do more  
Cause you make me feel, you make me feel, you make me feel like  
A natural woman  
Oh, baby, what you've done to me  
Oooo you make me feel so good inside  
And I just want to be close to you  
You make me feel so alive  
You make me feel, you make me feel, you make me feel like  
A natural woman
