

Kelly Clarkson, Open Arms

Lying beside you.
Here in the dark
Feeling your heart beat
With mine
Softly you whisper
You're so sincere
How could our love
Be so blind

We sailed on together
We drifted apart
So here you are by my side

(Chorus)
So now I come to you
With open arms
Nothing to hide
Believe what I say
Here I am
With open arms
Hoping you'll see
What your love means to me
Open arms

Living without you
Living alone
This empty house seems so cold
Wanting to hold you
Wanting you near
How much I wanted you home

But now that you've come back
Turned night into day
I need you to stay

(Chorus)
