

Kelly Clarkson, Spiderwebs

You think that we connect
That the chemistry's correct
Your words walk right through my ears
Presuming I like what I hear

And now I'm stuck in the web
You're spinning
You've got me for your prey...

(CHORUS)

Sorry I'm not home right now
I'm walking into spiderwebs
So leave a message
And I'll call you back
A likely story, but leave a message
And I'll call you back

You're intruding in what's mine
You're taking up my time
Don't have the courage inside me
To tell you please just let me be

Communication, telephonic invasion
I'm planning my escape...

(CHORUS)

Sorry I'm not home right now
I'm walking into spiderwebs
So leave a message
And I'll call you back
A likely story, but leave a message
And I'll call you back

And it's all your fault
I screen my phone calls
No matter who calls
I gotta screen my phone calls

Now it's gone too deep
You wake me in my sleep
My dreams become nightmares
'Cause you're ringing in my ears

(CHORUS)

Sorry I'm not home right now
I'm walking into spiderwebs
So leave a message
And I'll call you back
A likely story, but leave a message
And I'll call you back

And it's all your fault
I screen my phone calls
No matter, matter, matter, matter who calls
I gotta screen my phone calls
