

# Kelly Family, Fell In Love With An Alien

Out in the fields  
Where the farmers grow bread  
When called for the meals  
The took for the shed  
Then dark came to fall  
And silence was all  
A beauty shone bright  
Surrounded by light

## Refrain

I fell in love with an alien  
I fell in love with her eyes  
I fell in love with an alien  
I'm telling you no disguise  
I'm in love with an alien  
I'm in love with her eyes  
I'm in love with an alien  
I'm telling you no disguise

She came looking out babe for a Romeo  
She ain't looking out babe for a homeboy

I fell in love with an alien  
I fell in love with her eyes  
I fell in love with an alien  
I'm telling you no disguise

The moon went to bed  
Sun growing red  
A scarecrow appeared  
And chased her in fear  
She send me her love  
Her love to me  
And then we did grow  
A big family

I fell in love with an alien  
I fell in love with her eyes  
I fell in love with an alien  
I'm telling you no disguise  
I'm in love with an alien  
I'm in love with her eyes  
I'm in love with an alien  
I'm telling you no disguise

I fell in love with an alien  
I fell in love with her eyes  
I fell in love with an alien  
I'm telling you no disguise  
I'm in love with an alien  
I'm in love with her eyes  
I'm in love with an alien  
I'm telling you no disguise
