

# Kelly Rowland, Dumb

Boy is it cost money  
I make 'em go crazy  
Boy is it cost money  
I make 'em go crazy  
Boy is it cost money  
Money, money, money, money

He gotta have it like I have it  
He be like a savage  
Some like a Trojan  
Yeah I do that like a magic  
And if he really want some  
I make him treat it like a classic  
I can test what I'mma grab it  
I make him go dumb  
Dumb, dumb, dumb, dumb  
Sick with it  
Quick with it  
Come on come on million  
Yeah I do it till it's done  
And if he really want some  
I make him treat it like a classic  
Man I swear that boy is at it  
I make him go dumb  
Dumb, dumb, dumb, dumb

Boy is it cost money  
I make 'em go crazy  
Boy is it cost money  
Yeah I make 'em go crazy  
Boy is it cost money  
Money, money, money, money

I'm so on with it  
Done with it  
Grown with it  
Baby sing with me  
And if I'm really feeling you  
I'mma really really baby  
I'mma be like oh  
I can give it  
Stop it  
All this booty  
That you wanted  
Watch you looking  
Like you wanna try it  
All this booty that you got going on  
And if he really want some  
I make him treat it like a classic  
Make him wanna go to nascar  
I make him go dumb  
Dumb, dumb, dumb, dumb  
I make him go dumb  
Dumb, dumb, dumb, dumb  
I make him go dumb  
Dumb, dumb, dumb, dumb  
Make him

I rode that thing like a solider  
I rode it like a soldier  
And I took it like a soldier  
I rode that thing like a solider  
I rode it like a soldier  
And I took it like a soldier

I bounced it...  
Go get some

Dumb /4x

I make him go dumb  
Dumb, dumb, dumb, dumb

Boy is it cost money  
I make 'em go crazy  
Boy is it cost money  
I make 'em go crazy  
Boy is it cost money  
Money, money, money, money
