

Kelly Rowland, Flowers

Time wants slow down
For nowone
If i don;t do it now
I blow it

The way you hold me down
I owe it
I know you see me now
I am glowing

And i
Keep seyin' you want it
I am sure, you want it
And go get
I am getting...

I will be your flowers
How that you hold it
Every time i get that Chance
Oh, let me by your hand
