

# Kelly Rowland, Flowers

Time wants slow down  
For nowone  
If i don;t do it now  
I blow it

The way you hold me down  
I owe it  
I know you see me now  
I am glowing

And i  
Keep seyin' you want it  
I am sure, you want it  
And go get  
I am getting...

I will be your flowers  
How that you hold it  
Every time i get that Chance  
Oh, let me by your hand
