## Kendrick Lamar, I

(This is a world premiere) /3x

I done been through a whole lot
Trial, tribulations, but I know God
Satan wanna put me in a bow tie
Praying that the holy water don't go dry
As I look around me
So many motherfuckers wanna down me
But ain't no nigga never drown me
In front of a dirty double-mirror they found me

And I love myself

(The world is a ghetto with big guns and picket signs)

I love myself

(But it can do what it want whenever it wants and I don't mind)

Ì love myself

(He said I gotta get up, life is more than suicide)

I love myself

(One day at a time, sun gon' shine)

Everybody looking at you crazy (Crazy)
What you gon' do? (What you gon' do?)
Lift up your head and keep moving (Keep moving)
Or let the paranoia haunt you? (Haunt you)

Peace to fashion police, I wear my heart

On my sleeve, let the runway start

You know the miserable do love company

What do you want from me and my scars?

Everybody lack confidence, everybody lack confidence

How many times our potential was anonymous?

How many times the city making me promises?

So I promise this

And I love myself

(The world is a ghetto with big guns and picket signs)

I love myself

(But it can do what it want whenever it wants and I don't mind)

I love myself

(He said I gotta get up, life is more than suicide)

I love myself

(One day at a time, sun gon' shine)

They wanna say there's a war outside and a bomb in the street And a gun in the hood and a mob of police And a rock on the corner and a line full of fiends And a bottle full of lean and a model on a scheme, yup These days of frustration, keep y'all tuck and rotation I duck these gold faces, post up fee-fi-fo-fum basis Dreams of realities peace, blow steam in the face of the beast The sky can fall down, the wind can cry now

The strong in me, I still smile

And I love myself

(The world is a ghetto with big guns and picket signs)

Ì love myself

(But it can do what it want whenever it wants and I don't mind)

ì love myself

(He said I gotta get up, life is more than suicide)

I love myself

(One day at a time, sun gon' shine)

Walk my bare feet (Walk my bare feet)
Down, down valley deep (Down, down valley deep)
I keep my fee-fi-fo-fum (Fee-fi-fo-fum)

## I keep my heart undone (My heart undone)

And I love myself
(The world is a ghetto with big guns and picket signs)
I love myself
(But it can do what it want whenever it wants and I don't mind)
I love myself
(He said I gotta get up, life is more than suicide)
I love myself
(One day at a time, sun gon' shine)

I went to war last night

With an automatic weapon, don't nobody call a medic Imma do it 'til I get it right, I went to war last night I've been dealing with depression ever since an adolescent Duckin' every other blessin', I can never see the message I can never take the lead, I can never bob and weave For my nigga that be letting 'em annihilate me And its evident I'm moving at a meteor speed Finna run into a building, lay my body in the street Keep my money in the ceiling, let my mama know I'm free Give my story to the children and the lesson they can read And the glory to the feeling of the only unseen Seen enough, make a motherfucker scream, "I love myself!"

I lost my head, I've must misread what the good book said Oh woes keep me, it's a jungle inside Give myself again 'til the well runs dry
