

Kenny Rogers, I Can't Unlove You

Postcards and letters
Pictures made to last forever
To Be boxed up
and tossed away
Nick-Nacs, Souvernors
In an afternoon
Their out of here
They dissappear without a trace
What they mean to me can never be replaced
I cant unthink about you
I cant unfeel your touch
I cant unhear all the words
Unsay all the things that used to mean so much
I wish i could unremember everything
My hearts been through
Im finding out its impossible to do
Oh, its no use
I cant unlove you
In this dance of old songs
Like time they go on and on
I guess i could learn to do the same
I could wake up without you
These two arms not around you
Tell myself its meant to be this way
No matter how i try
Some things i cant change.
I wish i could unremember
Everything my hearts been through
Im finding out its impossible to do
Its no use
I cant unlove you
