

Keri Hilson, Coming Down

[Intro: Keri Hilson]

There comes a time in your life when you gotta make decisions
You just cant let your whole life pass by, gotta chase your visions
But now I go anywhere, going and never coming back
Back, back, Im never coming down

[Chorus: D.O.E.]

And Im fly, in the sky, and Im never coming down
Down, down, down

When Im on, Im gone, and Im never going back
Back, back, back

And you know, for show, Im never coming down
Down, down, down

Go, far, go, Im never going back, back

[Verse 1: D.O.E.]

Baby, I wanna get it, you got it
That move with your bodys exotic
You got that walk of a model
Tryina get you drunk off this bottle
Do you really wanna, really wanna, really wanna
Go, go, go, go, go, go, go home
Cause I really wanna, really wanna, really wanna
Go, go, go, go, go, go, go home

Im trying to get out the club
When I get out, Im gon fuck up
And Im gon live life like I should
Probably build me a house in the club
And Im never coming, never coming, never coming
Back, back, back, back, back, back

I dont what yall say, coming back, no way

When Im leaving, Im saying Aayyy

[Chorus: D.O.E.]

And Im fly, in the sky, and Im never coming down
Down, down, down, down

When Im on, Im gone, and Im never going back
Back, back, back, back

And you know, for show, Im never coming down
Down, down, down

Go, far, go, Im never going back, back

[Bridge]

This is the part when yall jam.

Hes never coming down

Hes never going back

[Chorus: D.O.E.]

And Im fly, in the sky, and Im never coming down
Down, down, down

When Im on, Im gone, and Im never going back
Back, back, back

And you know, for show, Im never coming down
Down, down, down

Go, far, go, Im never going back, back
