

Keri Hilson, Energy

[Verse 1:]

I wish i could rip out a page of my memory
Cause i put to much energy in him and me
Can't wait till i get through this phase
Cause its killing me
To bad we can't re-write our own history

[Pre-Chorus:]

Such a mystery when hes here with me
It's hard to believe I'm still lonely
Chances fading now, patience running out
This ain't how its supposed to be

[Chorus:]

I'm having nightmares from sleeping with the enemy
How do we reverse the chemistry
I don't want us to be the end of me
This love is taking all of my energy
Energy, My Energy
Taking all my energy
Energy, My Energy
Taking all of (my energy)

[Verse 2:]

Seems only like yesterday, Not even gravity
Could keep your feet off the ground when you were with me
How can two be as one
We've become to divided now
Theres no use hiding from memory(no)

[Pre-Chorus:]

Such a mystery when hes here with me
It's hard to believe I'm still lonely
Chances fading now, patience running out
This ain't how its supposed to be

[Chorus:]

I'm having nightmares from sleeping with the enemy (Oh, Yeah)
how so we reverse the chemistry (We gotta re-)
I don't want us to be the end of me
This love is taking all of my energy
Energy, My Energy
Taking all my energy (Energy)
Energy (Energy), My Energy (Energy)
Taking all of

[Bridge:]

Cause your taking all of my energy
I'm having nightmares from sleeping with the enemy
