

# Keri Hilson, Sulfur

My Guilt and My Shame always sell me short - always feel the same  
And My Face and My Soul always wear me thin - always under control  
But the longest hours you'll have in your life  
Are the ones you sit through to know if you're right  
So I'll wait, but I pray that I'm wrong  
Because I think I know what's going on  
So Let Me Get This Straight... the only will is my own  
I do whatever I want and stay alone  
All my decisions make it untouchable and tainted  
I'm gonna suffer for the rest of my life  
But I will always find a way to survive  
I'm not a failure, but I know what it's like  
I can take it or leave it... or die  
STAY - You don't always know where you stand  
'Til you know that you won't run away  
There's something inside me that feels  
Like Breathing in Sulfur...  
My Life is undone - and I'm a sinner to most but a sage to some  
And my Gods are Untrue - I'm probably wrong, but I'm better than you  
And the longest hours I've had in my life  
Were the ones I went through to know I was right  
So I'm safe, but I'm a little outside  
I'm gonna laugh when I'm buried alive  
STAY - You don't always know where you stand  
'Til you know that you won't run away  
There's something inside me that feels  
Like Breathing in Sulfur...  
LIKE BREATHING IN SULFUR  
STAY - You don't always know where you stand  
'Til you know that you won't run away  
There's something inside me that feels  
Like Breathing in Sulfur...  
LIKE BREATHING IN SULFUR
