

Keri Hilson, Turn My Swag On

Dime divas give it to me

(chorus)

Hopped up out the bed, turned my swag on

Took a look in the mirror said wassup

(yeah)

I'm gettin' money

(oh)

Hopped up out the bed, turned my swag on

Took a look in the mirror said wassup

(yeah)

I'm gettin' money

(oh)

(verse 1)

They told me 'round my hood

(what they say)

Errytime they see me I look good

(yeah, why)

I'm gettin money

(yeah)

If you be hatin' just be mad at yo'self

I bet you think this song is about you

(dont you)

Don't you

(yeah)

But I did it without you

(yeah)

Said this is for them chicks who be handlin' their business

Got big ups to them hatas 'cause were too busy winnin'

You can't tell us nothin

You can't tell me nothin'

Dime divas give it to me

(chorus)

Hopped up out the bed turned my swag on

Took a look in the mirror said wassup

(yeah)

I'm gettin' money

(oh)

Hopped up out the bed turned my swag on

Took a look in the mirror said wassup

(yeah)

I'm gettin' money

(oh)

They told me 'round my hood

(what they say)

Errytime they see me I look good

(yeah, why)

I'm gettin money

(yeah)

If you be hatin' just be mad at yo'self

I bet you think this song is about you

(dont you)

Don't you

(yeah)

But I did it without you

(yeah)

Said this is for them chicks who be handlin' their business

Got big ups to them hatas 'cause we too busy winnin'.

You can't tell us nothing

You can't tell me nothin'.

If you aint getting money then you aint got nothin' for me.

Cuz I be getting paper like you wouldn't believe

And I be gettin' hatas like you wouldn't believe.

So wassup

(yeah)

Boy stop
(yeah)
Swag aint somethin' you can wear on yo' neck
You can buy you a chain but you can't buy respect
I'mma walk it like I talk it so you never forget
And if you get your swag on
Lemme hear you say (yeah)
If you wake up in the morning and you turn yo swag on.
Lemme hear ya say (yeah)
Lemme hear ya say (yeah)
(turn my swag oooon.)
(chorus)
Hopped up out the bed, turned my swag on
Took a look in the mirror said wassup
(yeah)
I'm gettin' money
(oooh)
Hopped up out the bed, turned my swag on
Took a look in the mirror said wassup.
(yeeea)
I'm gettin' money
(oooh) aha
