

# Keri Hilson, Where Did He Go

(Verse 1:)

Everybody's tellin' me to wait for you to call back.  
Can you tell me where did he go? (I can't do it)  
But I don't ever want another girl to come and get that (No)  
Can you tell me where did he go?  
My train of thought is gunnin', and now you're runnin' on the same track.  
Can you tell me where did he go? (Where'd you go?)  
And now you're leavin' me to have to find out where you been at,  
Can you tell me...

(Bridge:)

I'm a mess right now, (I'm a mess right now)  
Out of order.  
I'm torn up, I'm goin' down. (I'm goin' down)  
Won't you hold me together, I'm pourin' out. (I'm pourin' out)  
I need you,  
that's(that's)  
how(how)  
I(I)  
feel(feel)...

(Chorus:)

I refuse to believe  
You do not think of me  
Like I do you  
If I'm right  
Then show me come through  
Cause I been needin you lately (Lately I)

I refuse to believe  
You do not think of me  
Like I do you  
If I'm right  
Then show me come through  
Cause I been needin you lately

(Verse 2:)

People always askin' me what is got me wearin all black,

Can you tell me where did he go? (I don't know...)  
Stressin' got the best of me, I really need to fall back.□  
Can you tell me where did he go? (Cause I)  
Wish I never said that you and me could never go back.  
Can you tell me where did he go?  
But I just wasn't thinkin, can't you see I didn't mean that?□  
Can you tell me...

(Bridge:)

I'm a mess right now, (I'm a mess right now)  
Out of order.  
I'm torn up, I'm goin' down. (I'm goin' down)  
Won't you hold me together, I'm pourin' out. (I'm pourin' out)  
I need you,  
that's(that's)  
how(how)  
I(I)  
feel(feel)...

(Chorus:)

I refuse to believe  
You do not think of me  
Like I do you

If I'm right  
Then show me come through  
Cause I been needin you lately (Lately I)

I refuse to believe  
You do not think of me  
Like I do you  
If I'm right  
Then show me come through  
Cause I been needin you lately

Can you tell me where did you go?  
Hear me, Hear me now...  
Can you tell me where did you go?  
Hear me, Oh...
