But now my conscience is contradicting everything

THE ENDING'S THE SAME / THE WORLD WILL NOT CHANGE

THE ANSWER IS CLEAR...

Tell your Mothers they have no Sons or Daughters

Blame yourselves because your Children are Mine

We are Orphans, but we are not Forgotten

And we will find a way to save us this time

We can run, but we are tired of running

We're dropping seconds in a glass 'til we die

We only wanna believe in fuckin' everything

But we're alive and we're not accepting anything

THE ENDING'S THE SAME / THE WORLD WILL NOT CHANGE

THE ANSWER IS CLEAR... ANNIHILATION

I won't control or restrain things I do not understand

Before they take away your right to decide

I guess I'll never believe in fuckin' anything

But my solace is I CAN HANDLE EVERYTHING
