Kerry Ellis, No-One But You

A hand above the water An angel reaching for the sky Is it raining in heaven -Do you want us to cry?

And everywhere the broken-hearted On every lonely avenue No-one could reach them No-one but you

One by one
Only the good die young
They're only flying too close to the sun
And life goes on Without you...

Another tricky situation A get to drowin' in the blues And i find myself thinkin' Well - what would you do?

Yes! - it was such an operation Forever paying every due Hell, you made a sensation You found a way through - and

One by one
Only the good die young
They're only flyin' too close to the sun
We'll remember Forever...

And now the party must be over I guess we'll never understand The sense of your leaving Was it the way it was planned?

And so we grace another table And raise our glasses one more time There's a face at the window And i ain't never, never sayin' goodbye...

One by one
Only the good die young
They're only flyin' too close to the sun
Cryin' for nothing
Cryin' for no-one
No-one but you
