

# Kesha, Lover

Lover

Why don't you come over?  
You know it's after midnight  
You know it's after midnight

Lover

Where did I remember?  
You since the beginning  
You since the beginning

Lover

You've already broken my heart  
You've already broken my heart  
Why have you stayed?  
Why have you stayed  
Cause lover  
You've already ripped me apart  
You've already broken my heart  
What would it take, to make you walk away?  
Walk away  
Walk away  
Walk away

Here we sit

In early mornings  
You held on tight last night  
Then you ever had before  
Here we sit  
In early mornings  
You held on tight last night  
Then you ever had before  
Then you ever had before

Lover

You've already broken my heart  
You've already broken my heart  
Why would you stay?  
Lover  
You've already ripped me apart  
You've already broken my heart  
What would it take, to make you walk away?  
Walk away  
Walk away  
Walk away

Lover

You've already broken my heart  
You've already broken my heart  
Why would you stay?  
Lover  
You've already ripped me apart  
You've already broken my heart  
What would it take, to make you walk away?  
Walk away  
Walk away  
Just walk away

Lover (walk away)

Lover (walk away)
