

Kesha, My Own Dance

woke this morning
feeling myself
hangover as hell like 2012
fuck it!
we get it that you've been through a lot of shit
but life's a bitch
so come on
shake your tits and fuck it!
what's a girl to do?
what's a girl to do?

you're the party girl
you're the tragedy
but the funny thing's
I am fucking everything

hey, I don't do that dance
hey, I don't do that
hey, I don't do that dance
I only do my own dance
hey, I don't do that dance
don't circumcise my circumstance
hey, I don't do that dance
I only do my own dance

well, the Internet called
and it wants you back
but could you kinda rap
and not be so sad?
fuck it
what's a girl to do?
what's a girl to do?

everybody get out your nasty moves
so let's talk some shit
and our some booze,
fuck it
what's a girl to do?
what's a girl to do?

you're the party girl
you're the tragedy
but the funny thing's
I am fucking everything

hey, I don't do that dance
hey, I don't do that
hey, I don't do that dance
I only do my own dance
hey, I don't do that dance
don't circumcise my circumstance
hey, I don't do that dance
I only do my own dance

I don't owe 'em nothing
maybe I owe everything
grateful for the lovers
and even the haters
I fell like I am nothing
somedays
I am everything
caught up in my feeling
bitch, shut up and sing

hey, I don't do that dance
hey, I don't do that
hey, I don't do that dance
I only do my own dance
hey, I don't do that dance
don't circumcise my circumstance

hey, I don't do that dance
hey, I don't do that
hey, I don't do that dance
I only do my own dance
hey, I don't do that dance
don't circumcise my circumstance
hey, I don't do that dance
I only do my own dance

hey, I don't do that dance
I only do my own dance
