

Kevin Ayers, Oh Wot A Dream

You are the most extraordinary person
You write the most peculiar kind of tunes
I met you floating as I was boating
One Afternoon

Wasn't it the most amazing meeting
surrounded by those monsters from the deep
You started telling me a funny story, and I fell asleep

Oh Wot a dream that was

We went for a glide across the country
I was hungry after traveling so far.
You offered me your one and only sandwich,
I said "How kind you are";

Wasn't it the most amazing feeling?
'Cause everything was really as it seemed.
You are the most extraordinary person
I've ever dreamed.
