

Keyshia Cole, Oh-Oh, Yeah-Yea

(feat. Nas)

You know what I wonder sometimes

Like do you know we far we can go if only you believe in me

Yea imagine that

[Verse 1:]

Did you know that I when I say I told you I loved you loved you

And did you know that I was really sincere when I couldn't go creeping creeping around

And everything that I told you I be for you I could really be for you baby

Jus give me give me give me a chance

Let me show(show you)

How I really feel(feel for you)

You are everything

[Chorus: x2]

Yeah

Oh- oh, yeah- yeah

Oh yeah

[Verse 2:]

So do you know I really wanna be here for you anytime you call on me baby

And did you know that we could be anything we want if you (only could believe in us and)

Give me your love don't (no no don't)

Baby don't walk out jus give me a chance

Let me show (show you)

How I really feel (feel for you)

You are everything

[Chorus: x2]

Yeah

Oh- oh, yeah- yeah

Oh yeah oh-oh

[Nas:]

Uh she says Nas show me the inside your bens

I'm jus tryna show you trust and the beauty of being friends

They jus wanna love and leave ya cut you then sleaze

Tell the world how they beat ya

I'm tryna show you something deeper

Movie night at the crib double feature

Turn off your phone you can moan

We in the love making marathon

You hit notes you never known

In the streets I need chrome and ammunition

But at home you jus want me to listen

Check it

Your friends is hating cause they feel the dating messing with you concentration

And it kills em I'm your fascination

Picture life as my wife jus think

Full length sable seven carets in your nable

Ballers inside the club try to send you they best

Put tattoos on your chest spelling Nas

Tanning no bikini in the sands of Fiji Miami

In my Lamborghini KC believe

[Keyshia Cole:]

That's why you got me saying

[Chorus:]

Oh- oh, yeah- yeah

Oh yeah

Yeah you know all I needed you to do is believe in us

You know what I'm saying

But I guess that's the way love goes
