

Keyshia Cole, Situations

v.1

hey, she can't love you, like i love you
it started real simple, comin thru cause i missed you
and i couldn't wait to kiss you
i tried to play shy a little
but not trying to move fast, but not too slow
because i know, you're the kinda guy
i see you already got me

she could never be (oh no)
half as good as me (let me show)
you know what i mean
cause im the real thing
and i got to have you
in here by your side (yeah)
wait before you day and night (oh no)
cant understand why,
you're not my man but...

(CHORUS)

i should be your girl (oh-, oh oh)
im fallin in love again, (oh, oh)
goddamn we kissed again (oh, oh)
it went a little bit further then (oh-, oh oh)
i thought this boy was just a friend (oh, oh)
i need my baby here (oh, oh)
cuz cant nobody love me like he can

(.man talking.)

hey whats happenin
looklike im runnin a little late
i got caught up in the middle of somethin
but im still tryin to come see you later on though

v.2

now its late and im all talk
convos on the phone gettin sparked
imma bout to jump in my car
and come and see you
im holdin back,
i miss you, im lettin go tonight
oh, and baby i need you
and nothing can stop me,
we're too close now

everything you do (got me going)
crazy over you (but you know)
i cant stand the fact (that she is)
always on your back (so whats up)
whatcha gonna do, cuz im really feelin you (oh yeah)
and boy i need to know,
if you think that...

(CHORUS)

i should be your girl (oh-, oh oh)
im fallin in love again, (oh, oh)
goddamn we kissed again (oh, oh)
it went a little bit further then (oh-, oh oh)
i thought this boy was just a friend (oh, oh)
i need my baby here (oh, oh)
cuz cant nobody love me like he can

she cant love you,
like i love you (i cant help it)

she cant love you (i love you)
like i love you

(.man rapping.)
damn shorty,
i got my mind on my money
and the hood got me tied up
plus my baby mama keep me fired up
these other broads probably get me wired up
but the blind nigga can see that you's a rider
thats how you got me creepin, me crawlin
creepin to the bar at 6 in the mornin
you in the zone deep when we all in
tryin to get me on and the bitch keep on callin
and she be killin me blow,
i see you tryin fight it, but you feelin me though
look i be feelin you right back,
imma pick you up in the back, i know you like that

(CHORUS)
i should be your girl (oh-,oh oh)
im fallin in love again,(oh, oh)
goddamn we kissed again (oh, oh)
it went a little bit further then (oh-, oh oh)
i thought this boy was just a friend(oh, oh)
i need my baby here (oh, oh)
cuz cant nobody love me like he can

(repeat)

she cant love you (nobody can love me)
like i love you
she cant love you (nobody can love me)
like i love you

(repeat 2x)
