

# Khalid, Bluffin'

Take enough  
Turn off the lights  
We're so in denial  
Of breaking up  
We make it up  
Every time  
I look in your eyes  
I'm back in love  
I've waited all my life  
For someone like you  
But I'm losing sight  
Of your point of view

Are we broken?  
Lost in emotion  
Are you all in?  
Are you bluffin'?

Is this the last ride?  
Stay here one last night  
I know we're both tired  
If that's our excuse

Are you all in?  
Are you bluffin'?  
Are you? hmm...

It's no one's fault  
That's what they say  
You want it your way  
You know it all  
We say it's no one's fault  
Losin' our minds  
Lie after lie  
Fakin' love  
We had a hell of a ride  
Issues aside  
Both of us

Are we broken?  
Lost in emotion  
Are you all in?  
Are you bluffin'?

Is this the last ride?  
Stay here one last night  
I know we're both tired  
If that's our excuse

Are you all in?  
Are you bluffin'?  
Are you? hmm...

Ooh, are you?
