

Khalid, Disclosure, Know Your Worth

he keeps leaving you for days
I don't know what you been waiting for
so you've got your love locked up instead
but something better's waitin' at your door

you don't know your worth
all the things I know that you deserve
say it's not real if it doesn't hurt
find someone you know will put you first
fond someone who'll love you like you're worth

gotta keep, gotta your keep,
gotta keep your head down
gotta keep, gotta your keep,
gotta keep your head down
gotta keep, gotta your keep,
gotta keep your head down
gotta keep, gotta your keep,
gotta keep your head down

don't forget the lights, always tired
pickin' you up when you feelin' down
you keep strung on thoughts left in your head
when you lose hope, soon you will be found

you don't know your worth
all the things I know that you deserve
say it's not real if it doesn't hurt
find someone you know will put you first
fond someone who'll love you like you're worth

gotta keep, gotta your keep,
gotta keep your head down
gotta keep, gotta your keep,
gotta keep your head down
gotta keep, gotta your keep,
gotta keep your head down
gotta keep, gotta your keep,
gotta keep your head down

Find someone who leaves you at your worst
Find someone who leaves you at your worst

gotta keep, gotta your keep,
gotta keep your head down
gotta keep, gotta your keep,
gotta keep your head down
gotta keep, gotta your keep,
gotta keep your head down
gotta keep, gotta your keep,
gotta keep your head down
