

Khalid, Heaven

You're my ride or die
Let's burn out tonight
Even if we don't survive
We were right about being wrong
Don't look back to the wreck
Stay with me
Turn your head, this is it
All that's left
Just some times that we had

Woah, Heaven, make me an offer
Lord, there's nothing for me left down here
Heaven, if you come over
Oh, I know how to make us disappear

And now the way you say
My name sounds like a song
That you've been singin' all along
Don't forget it once I'm gone

Woah, Heaven, make me an offer
Lord, there's nothing for me left down here
Heaven, if you come over
Oh, I know how to make us disappear

Heaven, (yeah...) make me an offer
Lord, there's nothing for me left down here
Heaven, if you come over
Oh, I know how to make us disappear

Heaven, make me an offer
Lord, there's nothing for me left out here
