Khalid, Heaven

You're my ride or die
Let's burn out tonight
Even if we don't survive
We were right about being wrong
Don't look back to the wreck
Stay with me
Turn your head, this is it
All that's left
Just some times that we had

Woah, Heaven, make me an offer Lord, there's nothing for me left down here Heaven, if you come over Oh, I know how to make us disappear

And now the way you say My name sounds like a song That you've been singin' all along Don't forget it once I'm gone

Woah, Heaven, make me an offer Lord, there's nothing for me left down here Heaven, if you come over Oh, I know how to make us disappear

Heaven, (yeah...) make me an offer Lord, there's nothing for me left down here Heaven, if you come over Oh, I know how to make us disappear

Heaven, make me an offer Lord, there's nothing for me left out here
