

# Khalid, Keep Me

Roses were your favorite flower  
And I couldn't stand the scent  
But if it's what it takes to put a smile on your face  
I guess I'll deal with it  
You hung with the popular kids  
And I couldn't stand them  
But I sucked it up, because I wanted to be more than friends

You should walk away with me  
In your heart  
Keep me in your mind  
You don't have to speak  
Of our past, just  
Keep me in your life  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Ohhhhh  
Nooooo  
Ohhhhh  
Nooooo

We were ridin' down Dyer with my top down  
Singin' our favorite songs  
But the funny thing is  
Every time we did, you'd always get the words wrong  
And I was your biggest fan  
You should never forget it  
I bet your new man  
Doesn't love you like I did  
Does he love you like I did?  
Does he love you like I did?  
Nooooo...

You should walk away with me  
In your heart  
Keep me in your mind  
You don't have to speak  
Of our past, just  
Keep me in your life  
Keep me alive

Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Ohhhhh  
Nooooo  
Ohhhhh  
Nooooo

You should walk away with me  
In your heart  
Keep me in your mind  
You don't have to speak  
Of our past, just  
Keep me in your life

Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Ohhhhh  
Nooooo  
Ohhhhh  
Nooooo
