

Khalid, New Normal

You found your way but it's never enough
Though it's been tough for you
Losing touch
But I, summer has its end sometimes
Although I can't promise you much
You'll be fine, you'll be fine

So you make you better
Somewhere in the darkness
Sippin' you the heartache
Don't know what predicted how far we came
Now that you're want

How fast the time goes
Living in the moment
Takin' for granted
It's a new normal
Hard for us to live in
And to understand it

You found your way but it's never enough
Though it's been tough for you
Losing touch
But I, summer has its end sometimes
Although I can't promise you much
You'll be fine, you'll be fine
