## Khalid, New Normal

You found your way but it's never enough Though it's been tough for you Losing touch But I, summer has its end sometimes Although I can't promise you much You'll be fine, you'll be fine

So you make you better Somewhere in the darkness Sippin' you the heartache Don't know what preducted how far we came Now that you;re want

How fasy the time goas Living in the moment Taling for granted It's a new normal Hard for us to live in And to understand it

You found your way but it's never enough Though it's been tough for you Losing touch But I, summer has its end sometimes Although I can't promise you much You'll be fine, you'll be fine
