

Khalid, Outta My Head

I'm here outside when you're ready
(When you're ready for me)
Bring out the shots and confetti
(All night long)
I'll take you home if you let me, yeah
Just promise you won't forget me, no

'Cause days get brighter when you're here
So I gotta keep your near, going crazy
And I just can't get you outta my head
Romance in the atmosphere
You can feel it in the air, getting hazy
And I just can't get you outta my head

Ooh-ah, ooh-oh...
(My head...)

Just can't get you outta my head
You locked the door and it's rainin'
(Just let it rain down)
But baby I'm not complainin', no
We hit the road and we're racin', yeah
You make me super impatient, ooh
Can you feel the tension?
You've got my attention
I know we're just friends but I'd rather be together

'Cause days get brighter when you're here
So I gotta keep your near, going crazy
And I just can't get you outta my head
Romance in the atmosphere
You can feel it in the air, getting hazy
And I just can't get you outta my head

Ooh-ah, ooh-oh...
(My head...)

Just can't get you outta my head

(Can't get you outta my head)
My head, my head, my head
My head, my head, my head
(Can't get you outta my head)
My head, my head, my head
(Can't get you outta my head)

Ooh-ah, ooh-oh...
(My head...)

Just can't get you outta my head
