

# Khalid, Saved

The hard part always seems to last forever  
Sometimes I forget that we aren't together  
Deep down in my heart, I hope you're doing alright  
But from time to time I often think of why you aren't mine

But I'll keep your number saved  
Cause I hope one day you'll get the sense to call me  
I'm hoping that you'll say  
You're missing me the way I'm missing you  
So I'll keep your number saved  
Cause I hope one day I'll get the pride to call you  
To tell you that no one else  
Is gonna hold you down the way that I do

Now, I can't say I'll be alright without you  
And I can't say that I haven't tried to  
But, all your stuff is gone  
I erased all the pictures from my phone  
Of me and you  
Here's what I'll do

I'll keep your number saved  
Cause I hope one day you'll get the sense to call me  
I'm hoping that you'll say  
You're missing me the way I'm missing you  
So I'll keep your number saved  
Cause I hope one day I'll get the pride to call you  
To tell you that no one else  
Is gonna hold you down the way that I do

I hope you think of all the times we shared  
I hope you'll finally realize I was the only one who cared  
It's crazy how this love thing seems unfair  
You won't find a love like mine anywhere

But I'll keep your number saved  
Cause I hope one day you'll get the sense to call me  
I'm hoping that you'll say  
You're missing me the way I'm missing you  
So I'll keep your number saved  
Cause I hope one day I'll get the pride to call you  
To tell you that no one else  
Is gonna hold you down the way that I do

But I'll keep your number saved  
Cause I hope one day you'll get the sense to call me  
I'm hoping that you'll say  
You're missing me the way I'm missing you  
So I'll keep your number saved  
Cause I hope one day I'll get the pride to call you  
To tell you that I'm finally over you  
I'm finally over you
