Khalid, Saved

The hard part always seems to last forever Sometimes I forget that we aren't together Deep down in my heart, I hope you're doing alright But from time to time I often think of why you aren't mine

But I'll keep your number saved
Cause I hope one day you'll get the sense to call me
I'm hoping that you'll say
You're missing me the way I'm missing you
So I'll keep your number saved
Cause I hope one day I'll get the pride to call you
To tell you that no one else
Is gonna hold you down the way that I do

Now, I can't say I'll be alright without you And I can't say that I haven't tried to But, all your stuff is gone I erased all the pictures from my phone Of me and you Here's what I'll do

I'll keep your number saved
Cause I hope one day you'll get the sense to call me
I'm hoping that you'll say
You're missing me the way I'm missing you
So I'll keep your number saved
Cause I hope one day I'll get the pride to call you
To tell you that no one else
Is gonna hold you down the way that I do

I hope you think of all the times we shared
I hope you'll finally realize I was the only one who cared
It's crazy how this love thing seems unfair
You won't find a love like mine anywhere

But I'll keep your number saved
Cause I hope one day you'll get the sense to call me
I'm hoping that you'll say
You're missing me the way I'm missing you
So I'll keep your number saved
Cause I hope one day I'll get the pride to call you
To tell you that no one else
Is gonna hold you down the way that I do

But I'll keep your number saved
Cause I hope one day you'll get the sense to call me
I'm hoping that you'll say
You're missing me the way I'm missing you
So I'll keep your number saved
Cause I hope one day I'll get the pride to call you
To tell you that I'm finally over you
I'm finally over you
