## Kiesza, Take Me To Church

My lover's got humour She's the giggle at a funeral Knows everybody's disapproval I should've worshiped her sooner

If the Heavens ever did speak She is the last true mouthpiece Every Sunday's getting more bleak A fresh poison each week

'We were born sick,' you heard them say it

My church offers no absolution She tells me, 'Worship in the bedroom' The only heaven I'll be sent to Is when I'm alone with you

I was born sick, But I love it Command me to be well Amen. Amen. Amen

Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Good God, let me give you my life
//2x

If I'm a pagan of the good times My lover's the sunlight To keep the Goddess on my side She demands a sacrifice

To drain the whole sea Get something shiny Something meaty for the main course That's a fine looking high horse What you got in the stable? We've a lot of starving faithful

That looks tasty
That looks plenty
This is hungry work

Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Good God, let me give you my life
//2x

No masters or kings When the ritual begins There is no sweeter innocence than our gentle sin

In the madness and soil of that sad earthly scene Only then I am human Only then I am clean Amen. Amen.

Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife

Offer me that deathless death Good God, let me give you my life /2x
