Kiley Dean, Company

I'll remember you too clearly But I'll survive another day Conversations to share When there's no one there I'll imagine what you'd say

{Refrain}:

I'll see you in another life now baby I'll free you in my dreams But when I reach across the galaxy I will miss your company

{Chorus}
Company
I'll be looking for company
Look and listen, through the years
Someday you may hear me
Still crying for company

So now you're going off
To live your life
You say we'll meet each other
Now and then
But we'll never be the same
And I know I'll never
Have this chance again
No, not like you, so

{Refrain}

{Chorus}
