

Killing Joke, Corporate Elect

Grand masters pulling strings
Wet dream of a new world order
Neo-feudal blueprints rise
We all got fooled again

It's an ADD Generation
Everyone accepts the re-introduction of slavery
By a corporate elect

Tyrant of me & mine,
Dominion over our lives
Condemned to Solomon's mines
We all got fooled again

It's an ADD Generation
Everyone accepts the re-introduction of slavery
By a corporate elect
It's an ADD Generation
Everyone accepts the re-introduction of slavery
By a corporate elect

This is the fight back now
Free speech put to the test by immoral psychopaths
We all got fooled again

It's an ADD Generation
Everyone accepts the re-introduction of slavery
By a corporate elect
It's an ADD Generation
Everyone accepts the re-introduction of slavery
By a corporate elect
